Tackling a home cleanout or renovation project in Davis County? One thing's for sure: waste management is a significant part of the process. At [Driveway Safe Dumpster Rental & Junk Removal LLC](#), we're here to make sure you have the knowledge to navigate this complex task effectively.

Navigating The Waste Disposal Maze

When you decide to [rent a roll off dumpster](#) for your project, you're taking the first step towards a more efficient and manageable cleanup. But knowing what can and cannot go inside the dumpster is crucial for a smooth waste management experience.

Allowed Items

Understanding what you can put in our roll off dumpsters can eliminate many potential hiccups down the line. Here are some items you're allowed to load:

1. **General Household Items:** Personal items, textiles, plastics, and paper can all be disposed of in our dumpsters. We are here to help you clean out your clutter!
2. **Furniture:** We accept chairs, couches, tables, and more. However, there's an additional fee for mattresses and box springs. We make sure every item is disposed of correctly!

3. **Garden and Landscaping Waste:** From leaves and grass cuttings to branches and shrubs, all your green waste is welcome in our dumpsters.
4. **Paint Cans:** As long as they are open and the paint inside is dried up, you can toss those paint cans right into the dumpster.

Prohibited Items

Now let's shift gears and explore the items that are not allowed in our roll-off dumpsters:

1. **Electronics:** Batteries, TVs, computers, motorcycles, ATVs, or cars are not permitted in the dumpster.
2. **Hazardous Materials:** Biohazardous or infectious materials such as medical waste, and hazardous chemicals, liquids, oils, wet paints, lacquers, and refrigerants are also prohibited.
3. **Heavy Materials:** Heavy materials like concrete, bricks, rocks, sod, or dirt are restricted.
4. **Food Waste:** Food waste of any kind is not accepted.

By following these guidelines, you can avoid additional charges and potential environmental harm.
